• Trunk Diameter: 434cm • Height: 20m (Age estimated at 300-400years)

Kaiun Matsubara Rokusha Pilgrimage

The Kaiun Matsubara Rokusha Pilgrimage is an event in which people go to pray at a group of six shrines (five shrines in Matsubara City and one, the shrine worshipping the god of Amami district, in Osaka City) from January 1st to January 15th. Anyone who successfully visits all six shrines within this period will be awarded a Kaiun Eto Hariko (a lucky Japanese zodiac paper doll) to commemorate visiting all six shrines.
